Humble petition of - Munneerunnisa widow of Sri K.Sayed Ali residing at Salmar.Karkala (South Kanara)

Dated 20th August 1953

Most respectfully Sheweth,

That the petitioner's husband Sri K.Syed Ali having expired on II-8-1953 while in service under the Government in the Registration Department due to an attack of typhoid the deceased's family consisting of the petitioner and her two young children is in such poor circumstances as to approach the Government for the grant of a compassionate gratuity.

That the deceased had put in a total service of about I3 years as a clerk in the Registration Department and was last serving as senior clerk in the Sub Registrar's Office Coondapoor. His age at the time of death was 35 years. His two children are 5 years and I½ years old respectively. His two children and the petitioner have been solely dependent on his earnings. The petitioner's husband was drawing a monthly salary of only Rs 64/- and a dearness allowance of Rs 24/-. Besides his family he had to support his aged parents and two unmarried sisters with his scanty emoluments. The only savings he has left behind are the amount standing in his General Provident Fund account recently transferred to the new contributory Provident Pension Fund, and the amount to be realised under one an insurance Policy for Rs I000/, which will be hardly

sufficient to meet the debts already incurred under the indigent circumstances of the family.

3. The petitioner submits that the loss of her husband has reduced the dependants to utter poverty and helpless-ness and humbly prays that the benign Government may graciously be pleased to grant her compassionate gratuity in her present state of distress.

And for this act of benevolence, your humble petitioner shall ever be grateful

Confidential report of Ag clerk K Sayed Ali Sahib for the half year ending 30th June 1942.

From Sri N. K. Jathanna

Brahmavar.

To The Registrar of Assurances,
S. Kanara.

Sir,

I beg to report that Ag clerk K. Sayed Ali Sahib was working in this office from the 2nd to 19th February 1942. His service in this office has been so short that no detailed report can be submitted about his work and conduct.

His conduct and character were good. There was nothing incriminating either in his conduct or work in the period under report.

Tact and temper – very satisfactory. His relationship with fellow-officials was cordial. He was obedient and respectful to me.

Handwriting is neat and bold tending to become somewhat diffuse. He flattens letters which can be closer and thereby save writing space. His transcription in general is good and free from mistakes. His turn of transcription work is good. He has copied at times 7 to 9 pages and hence can write fast.

For a beginner of his type his work and conduct bid fair for a successful completion of probation.

A fairly well behaved young man, showing perceptible aptitude for his work, I think K Sayed Ali is one of the few Muslim clerks in the Department who can be called efficient – in course of time provided he continues to be as steady as he has been during the short period in this office.

Your most obedient Servant
